

7500

The flagship 7500 monitor arm is the world's best mount for large screens and dual screens, offering precision engineering, attractive design and extreme ease of use.

The 7500 desk monitor mount features Innovative's patented HD tilter, a spring-assisted pivot for the monitor which makes adjustments remarkably easy, even with larger screens. Other features include internal cable management and unique joint bearings for ease of movement.

Design Award Winner

FEATURES

- Instantly raise and lower your monitor with one handed repositioning.
- Rotates 360 degrees at 3 joints for optimal ergonomic comfort and flexibility.
- Landscape/portrait monitor positioning and six mounting options with the Innovative FLEXmount.
- Saves space by folding to occupy 4.5".
- Cable management keeps cables tucked beneath the arm.
- VESA-monitor compatible – 75mm & 100mm VESA adapters included.
