

# DUAL EVO®

The Dual EVO® monitor arm utilizes our award-winning EVO® monitor mount in a dual monitor desk mount application. The monitor arms provide intuitive function and dual monitor rotation for easy, ergonomic viewing of both screens.

## FEATURES

- Extremely flexible positioning of dual flat panel monitors.
- Ease-of-use encourages users to work with their dual monitors ergonomically.
- Rotate dual monitors for portrait or landscape viewing.
- Stylish desk mount design compliments any office environment.
- Cable management reduces workplace clutter.
- The flexible arms extend 10" vertically and 18" horizontally.
