

7050-SWITCH

The 7050-Switch laptop and monitor mount allows mobile workers to combine their laptop with dual full-sized monitors. This laptop and dual monitor arm positions three screens for maximum comfort and productivity while working at your primary desk. When it's time to leave, just grab your laptop and go.

FEATURES

- Take your laptop with you as needed with an easy grab-and-go interface.
- Enables workers to use a laptop ergonomically with their standard monitors.
- Monitors and laptop are lifted off of the work surface providing more desk space while the cable management system removes unwanted clutter.
- Position the mobile device and monitors independently of each other.
- VESA-monitor compatible – 75mm & 100mm VESA adapters included.

AVAILABLE MODELS
