

9136

The 9136-S-FM pole mount suspends the flat panel monitor above the work surface. Reposition articulating monitor arm along the 14" pole mount.

FEATURES

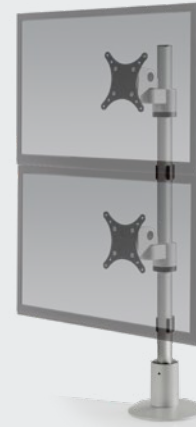

- Monitor arm includes FLEXmount® with six mounting options.
- Enables easy pivot, tilt, and rotation of the computer monitor.
- Adjustable tension at monitor mount joints – ideal for touch-screen applications.
- VESA-monitor compatible – 75mm and 100mm VESA adapter included; please call for non-VESA options.
- Features a 14" standard pole mount; custom pole lengths are available.
- Monitor tilter mechanism can tilt over 200 degrees.
- Monitor arm is ideal for slatwall mounting; can be combined with all Innovative mount options (sold separately).
- Optional upgrade to quick install/release monitor bracket; consult your sales rep for details.
