

9110 The 9110 wall mount is ideal for hanging your computer monitor or flat screen TV to save maximum space. This flat panel wall mount allows pivot and tilt. You can add optional extender arms to allow even greater flexibility and range.

FEATURES

- This computer monitor and flat screen TV wall mount features adjustable tension at joints – ideal for touch-screen applications.
- Easily pivot the monitor from portrait to landscape.
- Wall mount display can tilt up and down 30 degrees and turn left and right 30 degrees for optimal viewing.
- Extend the wall mount with available 4" and 8" extension arms; they can also be combined to increase the extension up to 12".
- VESA-monitor compatible – 75mm & 100mm VESA adapter included.
