

(COMPACT WORK SURFACE) WINSTON WORKSTATION®

**Energizing your body.
Inspiring your mind.**

Winston is now available with a compact work surface, ideal for users with a limited work space who want to take advantage of a healthy sit-stand workstation.

Instantly converts any desk into a sit stand workspace boosting health and productivity.

Recent studies have shown that sitting throughout the day can have the same negative health consequences as smoking. Winston seamlessly integrates into your workday for a boost in health and wellness.

FEATURES

- Smaller work surface. A compact work surface easily fits on smaller desks while still having space for a keyboard, mouse and storage tray.
- Designed to accommodate standing work without the distraction of unwanted movement.
- Convenient storage tray allows you to bring all necessities with you when you stand.
- Retrofit your existing desk into a healthy workspace with three easy mounting options: freestanding, desk clamp or thru mount.
- Features an overall height adjust range of over 18" and a locking cylinder to keep the workstation in place. No manual adjustment needed.
- Cable clips in the column and beam keep the cables organized and out of the way.
- Winston is designed and assembled in the US.
