

9105-XHD

Model 9105-XHD is a powerful monitor arm capable of supporting computer monitors up to 69 lbs. The mount floats the monitor above the work surface from one point on the desk where it can be easily repositioned.

This is an extremely durable steel monitor arm with guaranteed years of use. The monitor mount includes a special heavy-duty monitor tilter for effortless monitor motion. This monitor arm includes a specially reinforced FLEXmount®, which provides options for clamping or bolting the monitor arm to a desk or counter.

FEATURES

- The monitor arm is extremely durable, made of heavy-duty steel construction.
- Cable management keeps cables tucked beneath the monitor arm.
- Monitor mount offers 15.5" of vertical range and 24" of horizontal range.
- Computer monitors are rendered weightless by the arm.
- The extra strength monitor arm includes special reinforced FLEXmount® with desk clamp or through-desk mounting options; call for numerous other monitor mounting options.
- Monitor tilter mechanism can tilt over 200 degrees.
- Arm is VESA-monitor compatible - available with one of the following VESA adapters (specify when ordering): 100mm x 200mm, 200mm x 200mm or 200mm x 400mm.
